### **Balloonless Bill the Boy Wonder The Secret Co Creator**

Like his previous work, Boy Wonder is a non-fiction picture book aimed at children. At least in presentation; I can't imagine very young children being as interested in it as grown-ups though, and for grown-ups, there's an excellent all-prose, six-page article marked "Author's Note" at the end, fleshing

out the more simplified story that fills the bulk of the page count with plenty of detail and discussing Nobleman's process of research for the book.

Bill the Boy Wonder is the wonderful story of Batman's creation by Bob Kane and Bill Finger back in the 1940s. It is explained, in a child-appropriate way that Kane unfairly took more credit than he deserved for the creation of a iconic character, amd what affect this had on Finger's life.
