THE SHADOW OF THE WIND is a story within a story within a story. Still, the plots remain intact as Zafon writes about Daniel's search for the answers to Julian's mystery, the many characters who fill these pages, and the story of Daniel Sempere, a boy who loves books. This reviewer feels it has something for everybody; and although it seems to go on a bit too long at times, overall it is a wonderfully satisfying novel, making it a four-star winner.
